ABOUT ME

I am a BCA graduate and a full-stack MERN developer with hands-on experience in building real-world web applications.

I work across frontend and backend, focusing on clean code, scalable structure, and practical business logic.

I enjoy solving problems, fixing bugs, and improving systems step by step, following real industry development practices.

EDUCATION

Graduated: July 2025

Khwaja Moinuddin Chishti Language University, Lucknow

Bachelor of Computer Application (B.C.A) **CGPA:- 7.7**
